

ArcelorMittal Orbit Media Ticket Policy

We are happy to consider requests for media tickets from members of the media wishing to write a review of the ArcelorMittal Orbit.

1. All media visits must be for the purpose of a review and a maximum of four tickets will be granted per request.
2. All media visits must be arranged prior to the day of your visit. To make a request, please email pressoffice@queenelizabetholympicpark.co.uk with the following details at least two working days before the intended visit:
 - name
 - title
 - publication and deadline date
 - intended date of visit
 - number of tickets required and if you would like them to include The Slide
 - contact phone number

The Press Office is open Monday to Friday, 9am to 5.30pm, so in order to fulfil weekend and Bank Holiday visits, requests need to be made by noon on a Thursday. Successful requests will be confirmed by email.

3. You must accompany your party during your visit and when collecting your tickets you will need to provide a current media credential or form of photographic ID.
4. Media tickets are only valid on the day they are received and will only include entry to The Slide when agreed upon in advance by the Press Office. Tickets do not include entrance to any other venue at Queen Elizabeth Olympic Park.
5. Please be aware that only members of your group who are 8 years or over and taller than 1.3m will be permitted to ride The Slide.
6. If you require an interview for your article, please request this in advance through the Press Office so that we can make sure someone is available.
7. Filming and photography requests must be agreed in advance through the Press Office. Anyone undertaking unauthorised filming and photography will be asked to leave the attraction.
