

Celebrate Christmas In Style

If you are looking for both an inspiring setting and unique venue for your company Christmas party, the ArcelorMittal Orbit will make a big impression. As the UK's tallest sculpture it offers incredible panoramic views of the London skyline and is home to the world's longest and tallest tunnel slide.

ArcelorMittal Orbit Exclusive Hire: Engaging and Entertaining

The staggering views and unique design provide an unrivalled backdrop for your festive event!

- Capacity of up to 270 people for a standing reception
- Two viewing platforms with views of up to 20 miles across London
- Home to the world's longest and tallest tunnel slide
- Easily accessible from the City – Stratford is just 8 minutes from Liverpool Street and 10 minutes from Bank
- Unique venue interior featuring artwork from sculpture designer and Turner Prize winning artist Sir Anish Kapoor
- Located in Queen Elizabeth Olympic Park
- Two great packages available
- Additional entertainment add-ons to make your event extra special – just ask your Events Coordinator

ArcelorMittal Orbit Exclusive Hire: The Slide

Providing an engaging element to your festive event, The Slide is the world's longest and tallest tunnel slide, designed by Belgian artist Carsten Höller. It will transport your guests from the lower platform to the ground in a thrilling 40 second descent. Watch the cityscape zoom past you through transparent panels as you travel at 15mph!
